Dear Mr. Piggee:

SUBSTANDARD PROPERTY
645-651 WEST ALTADENA DRIVE
ALTADENA CALIFORNIA

A recent inspection of the property at the above address found it to be substandard as defined by Title 26 of the Los Angeles County Code, the Building Code, because of the defects enumerated in the attached list.

Section 9908 of the Code declares all such substandard buildings a public nuisance and requires the abatement thereof by repair, if practical, or demolition.

As the owner of record, you are hereby notified to comply with the requirements of the above Code, and to correct the conditions listed. All such work shall be completed within 30 days after receipt of this letter.

This notice will be posted on the property. If, in your opinion, you disagree or cannot comply with the above findings or order, you may request a public hearing before the Building Rehabilitation Appeals Board within 30 days after the building or property is posted. Further, you have a right under Government Code Section 25845, to appear and be heard before the Board of Supervisors, as an appeal, before abatement of the public nuisance by the County, with the costs to become a special assessment against the property, if you disagree with the findings and order of the Building Rehabilitation Appeals Board.

But that if you do not request in writing a hearing before the Building Rehabilitation Appeals Board as prescribed above, or you fail to appear at such a hearing which you have requested, you will be deemed to have waived both your right to a hearing before the Building Rehabilitation Appeals Board and your right to appeal to the Board of Supervisors. The request for a hearing must be in writing directed to the Department of Public Works, Building and Safety Division, Property Rehabilitation Section, 900 South Fremont Avenue, Third Floor, Alhambra, California 91803.

Permits for demolition or repair are required before starting the work and may be obtained at the Building and Safety Division Office shown at the bottom of the attached list of defects.
